

Tanto Cuore Expanding the house – card details

Maid chiefs

Details: The representative maid for this game. At the end of the game, each Claudine a player has is worth 5VP.

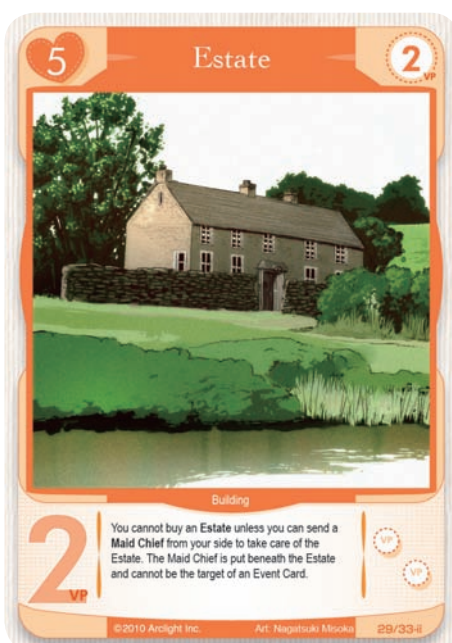

Details: Making Aline into a chambermaid costs 2 servings. Aline is always worth 1VP, regardless of whether she is chambermaid or not.

Buildings

Details: Events are included in the basic Tanto Cuore set. Any events that you have when you buy your fourth Garden still stay, but you cannot be the target for any further Events.

Details: Not only Aline, but also Claudine, or Colette from the base Tanto Cuore set may be placed beneath the Estates. If by a card effect, your Estate is returned to the town, the maid chief that was below is not returned to the town, but placed on your discard pile.

Details: In order to buy a Lily Garden, you must either have bought a Garden or have chambermaided a Ririko. If, by card effects, you lose your Garden or Ririkos, you do not need to return your Lily Garden. but you can't buy any further Lily Gardens until you have more Gardens/chambermaided Ririkos than you have Lily Gardens.

General maids

Details: The active player can choose whether to play Ririko as normal, gaining her bonuses, or to make her a chambermaid. Players who have at least one Ririko as chambermaid may regard the Lily Garden Building cards as cards with a cost of 5. Emily's effect (lowering the building cost by 1) is applied *after* Ririko's.

Details: The effect can only be applied once per Pauline played. You may not dismiss 4 identical cards to draw 6 extra cards.

Details: You may target your own kitchen entrance.

Details: The active player can choose whether to play Suzuna as normal, gaining her bonuses, or to make her a chambermaid. At the end of the game, for each set of 3 Suzuna that the player has as chambermaids, he receives a bonus of 5VP total (not per card). 6 Suzuna counts as 2 sets. Example: Having 2 Suzuna is 2VP, having 3 Suzuna is 1+1+1+5=8VP.

Details: The active player can choose to play Felicity as normal *or* to make her a chambermaid. If he chooses to play her, he gains +1 love and may then chambermaid one (1) chambermaid chief from his hand without paying the 2 servings it costs. At the end of the game, players who have 2 or more Felicities as chambermaids, receive the VP bonus.

Details: If you have played Amaretto during this turn, you may choose a "3 Love" card.

General maids (cont.)

Details: If the discarded card was a cost of 5 or above, the active player gains an extra +2 love, totalling +3 love from Phyllis.

Details: –

Details: If you play several Emilys, the cost is reduced by 1 for each Emily you play. However, the cost for any building cannot go below 1. Emily's cost lowering effect is applied *after* Ririko's.

Details: You must decide which player should discard his top card before you apply Victoria's effect.

Details: Amaretto's effect is applied to all cards in the game, those in your hand, in town, your draw pile, kitchen entrance etc. If you play **Lilac** after having played Amaretto, you may choose a "3 love" card.

Details: The active player first plays Domino as usual. After having played her, the player may consume 1 additional Serving to chambermaid Domino into another player's Private Quarters. The player who has Domino in his house may spend 2 Servings during his Serving phase to return Domino to the town. At the end of the game, each Domino that a player has as a chambermaid is worth -2VP.

General maids (cont.)

Details: The active player first draws 2 cards. If he at that point has more than 6 cards in hand, he must then put one card back on the top of his deck.

Details: You may only apply this effect once per Francine played. You may not take 2 maid chiefs for 4 "2 love" cards.

Details: -

Details: You may choose any of the 2 face-up Private Maids in the town. Draw another to replace her, as the card you return to the town is put on the bottom of the Private Maid draw pile.

Private maids

Details: You will only get +1 card, no matter how many buildings you have.

Details: -

Details: You can't use this ability once you've entered the Serving Phase.
